

Bench Rules

1. The size and location of a bench must be approved by the Superintendent.
2. A drawing, giving the dimensions of the bench, must be provided to the superintendent for his approval.
3. Benches that are placed in the cemetery are the property of the owner. The care and maintenance of which is the responsibility of the owner. Should at any time, the bench should become damaged or unstable; the cemetery has the right to remove the bench for the safety and decorum of the cemetery. Belle Vernon Cemetery is not responsible for any repairs or replacement.
4. Benches placed around the Mausoleum shall not have any vases or receptacles for flowers or decorations.
5. Benches shall not be placed to impede the cutting of grass or use of cemetery equipment.
6. Should at any time the cemetery at it's discretion need to use an area adjacent to a bench, (i.e. Benches placed next to shrubs or trees.) The cemetery has the right to move the bench and place it in another location.
7. These rules may be amended or changed at any time, by the Cemetery Board.
